Experience JOY

Experience JOY in Life
Philippians 1:3-6; 12-14; 19-21; 27

"I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that He who began a good work in you will bring it to completion at the day of Jesus Christ."

The attitude we display impacts the way others perceive Jesus!

How to have a bad attitude:

1. Allow your attitude to be based on circumstances.
2. Adopt _____ and _____ thinking.

Happiness is a response to circumstance; joy is a confidence built on a relationship. In other words,

Happiness is circumstantial, joy is relational.

Paul rejoiced in the level of spiritual commitment on the part of the people in Philippi. As a result, **Paul had the joy of encouraging and praying (intercession) for others.** (Philippians 1:4)

Joy is not determined by what you have, but in seeing God at work in someone else's life.

Paul had the joy of living life with others. (Philippians 1:5)

Having joy is anticipating a marvelous movement of God.
