

## Pray

- Pray that we will be men and women of integrity.
- Pray that our desire to serve God always outweighs the desires of the world.

## Read Exodus 18

- What does Jethro think of the LORD? (vs. 10-12)
- What is the problem Jethro sees? (vs. 13-18)
- How does Jethro instruct Moses? (vs. 19-23)

## Discuss

- Why is it important for Moses to listen to Jethro's advice?
- What are the qualities of the leaders Jethro suggests Moses should put in place?
- Share a story of a leader you have known that exhibited these characteristics.

## Next Steps

- Examine your own life. What does living with integrity mean to you?
- What about your life would look different if you were living with more integrity?
- Pray for humility to ask for help when you need it, and develop integrity as a leader.
