

Pray

- Pray that we will never take lightly the majesty and power of God.
- Pray for us to hold loosely to our rights and cling to our God.
- Pray that we will be priests that pray for and serve the people around us.

 - Discuss what this statement means. What does this look like in your life?
- How much time and effort do I give to hearing God's words? Do I seek Him like Moses did?
- What do the first 4 commandments say about our relationship with God?
