

## Pray

- Pray that God would soften our hearts to His call.
- Pray for our small group to passionately respond to God with obedience.
- Pray that our fear will never eclipse our faith in God.

## Read Exodus 4

- What were the excuses Moses gave for not obeying the call?
- What were God's signs for Moses and why were they significant?
- How did the people respond to hearing God's words and seeing His signs? (vs. 31)

## Discuss

- What makes you feel unqualified to do what God has called you to do?
- Have you ever responded to God's call like Moses did? If so, what did it look like for you?
- How would your life look different right now if you were truly submitting to God?

## Next Steps

- Discuss the things that hold you back from living in full submission to God.
- Make a list of these things with your friends in small group. What does this list say about us?
- Spend some time in prayer. Talk with God and ask Him what the call is that He has for you.
