When Jesus' Story Becomes Your Story

Pray

- We will live in God's grace.
- We will be convicted to live a life of full surrender to Jesus.
- We will share our stories with people who need to hear about Jesus.

Read 1 Timothy 1:12-17

- What are some key words Paul uses to describe himself before he encountered Christ? (vs. 12-15)
- What saying is trustworthy & deserving of full acceptance? (vs. 15)
- Why does Paul say he received mercy? (vs. 16)

Discuss

- How has Jesus' story of salvation become your story of transformation?
 - Have you truly embraced the grace and mercy God has given you?
 - If so, How has your life changed since you encountered Jesus?
 - How does your life look different now?
 - How is God still working on your heart in this season to change?

Next Steps

- Read 1 Timothy 1:12-17 again.

Use this passage as a template as you think about your own story.

Take some time to sit down, pray, and write about your story.

- What does your life look like without Jesus?
- What does your life look like since you have embraced God's grace?
- Share what you have written with a friend. Then share what you have written with someone who needs to hear about Jesus.
