

## Pray

- Pray that we will cling to Jesus.
- Pray that we will cast away all other idols that distract us from Him.
- Pray for God's rule and reign over our lives.

## Read Exodus 9-10

- List and describe the plagues.
- How do the plagues show God is sovereign?
- How does God show His mercy to those who fear Him? (Exodus 9:19-21)

## Discuss

- What causes us to push against repentance?
- Where have you seen arrogance, pride, and bitterness in your life?
- In our current day, what things do we put more confidence in than the one, true God?

## Next Steps

- What does real repentance look like for you right now?
- What is God calling you to let go of so that you can cling to Him?
- How would your life look different if you truly believed God was all powerful?
