By Faith, Abraham

### Pray

- We will completely surrender our hearts and minds to Christ.
- We will have trust in God even when things don't make sense to us.
- Our fears will be overshadowed by our faith in God.

### Read Hebrews 11:8-20

- How did Abraham show faith? (11:8)
- What city was Abraham looking forward to? (11:9-10)
- Why did Sarah have to have faith? (11:11-12)

### Discuss

- What outside factors are determining your faith?
- What is one area you need to trust God with?
- What is one area in which you need to surrender fear?

### Next Steps

Spend some time in prayer listening to what next step of faith God is calling you to.

- What keeps you from having faith in God?
- What in your life doesn't make sense that you need to trust God with?
- What fear is keeping you from stepping out in faith right now?
- What is the first, small, clear next step you need to make in faith?
  - Have one person hold you accountable to that first step.
