### Group Study Guide

January 15, 2023

### Pray

- Father, continue to work on our hearts and restore us.
- Help us to experience the grace and peace that only You can provide.
- Equip us to stand out and be a light for you in our community.

### Read 1 Corinthians 1:1-3

- How does Paul describe himself? (1:1)
- How does Paul describe the church in Corinth? (1:2)
- What are they called to be? (1:2)

### Discuss

- In what ways does our culture encourage the promotion of self?
- What does “restoration” look like in the life of a Christian?
- What does it look like to live fully under the Lordship of Christ?

### Next Steps

- How would your life look different if you lived fully under the Lordship of Christ?
- What is one preference you need to surrender to Christ?
- What is a part of your life where you still need to experience restoration?
