# 1 FAITH

Faith is having confidence that God is who He says He is and will do what He says He will do. We believe in the full Gospel, and that causes us to live differently. We trust God and that impacts how we live.

## Questions to ask:

Who is God?

What is the Gospel?

How do your beliefs change the way you live?

What is one thing God is calling you to trust Him with right now?

## Read Hebrews 11

How did faith cause the men and women in this passage to live differently?

# 2 FINANCES

God created everything, including us! Everything belongs to Him. Everything we have is a gift from Him that we get the opportunity to steward in order to see His Kingdom and His will be done. But so often, we become captive to our possessions and live for ourselves rather than Him.

## What are you living for?

### Questions to ask:

Describe your relationship with money.

What are some ways that you spend money that are selfish?

## Read Matthew 25:14-30

How are you managing God's resources in your life right now?

What is one way that you could leverage your resources for the Kingdom?

# 3 WORK/SCHOOL

As Christians, Sunday morning is only a small part of our lives. We are called to emulate Christ in the way we engage with our coworkers and collaborate with other students. We get to be ambassadors of Jesus! Every word we say and everything we do reflects our relationship with Him.

## Questions to ask:

How does the way you talk and act reflect your relationship with Jesus?

Who needs to hear your Story of Transformation?

How many people have you told your story to in the last three months?

## Read 2 Corinthians 5:11-21

Does the love of Christ compel you to live as a new creation?

How should the love of Christ compel you to live differently in contrast to the world?

# 4 RELATIONSHIPS

Our number one relationship is with God. Every other relationship we have is an overflow from that relationship.

## Questions to ask:

Make a list of your top five relationships. How does each of those relationships impact you positively or negatively?

How can you pray for each of these people differently?

## Read Galatians 5:13-25

Compare lives lived by the flesh and the Spirit.

What do you struggle with the most in your relationships?

What fruit are you praying that the Spirit will help you cultivate?

# 5 HABITS

What is going on in your heart? Are you spiritually healthy? Everything you do says something about you. What takes up most of your time in a week? Do your routines and consistent actions reflect that you are submitted to the continual transformation of the Holy Spirit in your life?

## Questions to ask:

Which habits are helping you take next steps toward Jesus?

Which habits are distracting you from Jesus?

What habits do we need to start, stop or give less time to? Go through each habit and decide: start, stop or give less time.

## Read Matthew 15:10-20

What do your actions currently say about you?

# NEXT STEPS

Record your next steps in each area here and track your progress as you move forward. As you accomplish one goal, record another!
